RECOGNISE THE PEOPLE WHO BUILD.

Foundry works with construction and infrastructure companies to recognise their people: years of service, a job done safely, a project seen through. A watch made for their world, presented the way the work deserves.

THE FOREMAN 45, PRESENTED IN THE FOUNDRY BOX

WHAT YOU CAN RECOGNISE

- Long service
- Safety on site
- Project handover
- Outstanding contribution
- Awards nights
- Apprentices and graduates
- Career milestones
- Retirement

FOUNDING PARTNERS

Foundry is at the start of its story. The first companies we work with will help shape what a Foundry partnership becomes, and they work with Matt, Foundry's founder, directly.
